

EVERY CHILD DESERVES TO
HAVE NECESSITIES WHEN
THEY ARE REMOVED.

“We believe we can help the youth
even if it’s with the smallest things,
such as clothes and shoes.”
-Elisia

MISSION

TPM will provide basic resources to native foster youth and families to help get them started in new environments during times of crisis and displacement.

“Being a foster child that aged out of the system, I’m so HAPPY I can be a part of TPM. I believe I can help in so many ways by getting the community’s involvement so we can build a stronger support system and show the youth that somebody cares.”

-Valerie
